Message from the President Marty Dine

Hello Gulls,

Here it is July, and summer is in full swing. We've had quite a busy time over the last few weeks. At Torrey Pines, the club hosted the Third Annual Katie Martin Memorial Fly-in which featured pilots from all over California and Arizona bringing their Bob Martin models to fly the gentle late spring lift at the bluff. It was a well-attended event and there was plenty of craftsmanship on display. The flying conditions were excellent so I'm sure everyone got their fill of flying in too. If you haven't made it out to one of these events, you really should make time in your schedule to come out next time.

Just last weekend, we tried an experiment for the general membership meeting by holding it at the Encinitas FLight Center. Instead of our usual evening meeting at Balboa Park, we had a Winch-launch fun-fly and held the meeting during a little break in the action. This was really nice, and the flying was super too. Look for our next general meeting to be held at Torrey Pines after we come back from our Summer Vacation either in September or October. Make a point of attending because a meeting is much better when you can do some flying too!

That's about it for now. Hope everybody has a good summer!
All the best,
Marty

RC Tools to make building a little easier!

By Alvaro Corzo – TPG member – 5 of 12 articles on tools

Because of the nature of our hobby I find myself making tools to accomplish a specific task and or completing an installation. Some of these tools may be available commercially, but their size makes it difficult to be used in our small planes. Experiment with sizes until you have something that works in your hands:

If you h **Second Contest of the year** - Thermal Duration. The tasks were 5, 8, 10, and 10 minute.

5th Contest of the year - Thermal Duration. The tasks were 7, 9, 9, and 11 minute.

We had a great turnout for today's Thermal Duration contest! Under cloudy conditions, 8 pilots braved the elements for what turned out to be a great day of flying. One small break in the action to let a passing squall by and we still go four rounds in by noon. Thank you to all who came.

All the scores are published on the club web site. www.torreypinesgulls.gov
