Message from the President

As I write this, the summer solstice has passed us by.....it's hard to believe the year is half gone already. The TPG board just "closed the books" on another highly successful IHLGF. Through the continuing support of our sponsors and the generous participation of the pilots in the contest, raffle and auctions, 2015 was another successful year for the International.

The Torrey Pines Gulls continue our committed to fostering opportunities encourage growth and competition in our great sport.....so once again, the Gulls have again stepped up in 2015.....

I am pleased to announce that the **Torrey Pines Gulls Radio Control Soaring Society** made a \$2,000 **donation** to the **USA F3K Team**. On behalf of the Board of Directors and all of our club members, I would like to formally say thank you to all of the competitors, to our sponsors, and our volunteers. You enable this event to be successful, and without you, events like this wouldn't be possible.

That being said, check out one of the monthly contests or come out to the slope in July and get some flying in!

Fair winds!

Dan Cummins
Torrey Pines Gulls
2015 President

TPG Facebook Page (continued)

Just wanted to update you guys on the TPG Facebook page. Ever since I started it 2 years ago, it has been a slow and steady struggle to get followers on the page. When we hit 100 followers last year, it was a bit of a stagnation point. Despite that, I still released content on our contests and fun fly events that I was able to attend.

In the past year, the AMA has taken notice of our page and endorses it quite a bit by posting our content on their main page. Because of this, in the past 2 months we went from 103 followers to over 200 and still growing. It seems that our page is starting to be noticed by modelers around the world as we have followers from 30+ countries. I've been finding that every day, we get one or two new followers.

So to get to my point, if you ever have anything cool to post, feel free to post it to the FB page. Anyone can do it, and I usually repost it to get it highlighted on the page. AMA does a good job of giving us free marketing of our big events, i.e., the IHLGF (which by the way, in both years the page has been up, has gotten 10,000+ unique views). I have been getting busy lately so feel free to post your Sailplane adventures on there to help me out.

Cheers,

John Blaske

Newsletter Update - Dale Gottdank

We're well into summer, enjoying a great 2015 for the Torrey Pines Gulls and remember, to make this newsletter even better:

Please send articles! They don't have to be a "novel," just a paragraph or two about something that interests you related in some way to RC soaring...even something interesting you happened upon on the internet. I'd like to have the newsletter published by the first week of every month. If there's a project you're working on, don't just post it on RCGroups...share it with your club!

To make the timely issue possible, I need the club members' support and help in providing me with **recent** pictures, articles and any upcoming events. If there are too many, we'll save some for the next issue.

Please send in your articles or photos (dgottdank@gmail.com) by the **25th** of each month so they can be included in the monthly newsletter. The newsletter can be found on the Torrey Pines Gulls website at <http://www.torreypinesgulls.org>

Club Meetings, Contests and Activities

As we did during 2014, TPG will continue to host monthly contests, fun-fly events, and onsite clinics. General meetings will coincide with non-competitive events throughout the year. Be on the lookout for upcoming details and scheduling for all TPG and related events in the Newsletter and on the Torrey Pines Gulls website at:

<http://www.torreypinesgulls.org> and

Club Membership – Bill Eckles

Bill Eckles

We just got our 100th member for the year. People seem to have responded to our annual mid-year price adjustment. We've also had a great time at the fun fly events and have had several folks pass their pilots' tests. Good job guys! Thanks for all the memberships. The club's board of directors is doing a great job getting more value into the annual dues by providing food and drinks at fun-fly events as well as a reduced competition fee for contests.

Please, participate! You'll be glad you did, and the club will appreciate it as well. Meanwhile, urge that breeze to turn on-shore while spring is still on our minds.
