Message from the President

Ian Cummings

As we put 2021 in the rearview mirror, I want to thank the many TPG members who have dedicated their time and energy towards the club. Without volunteers, our club doesn't function. In particular the [club officers](#), contest directors, and field improvement volunteers have helped make The Torrey Pines Gulls the great club it is for over 50 years.

I want to give a shout out to Ray Pili, a very deserving recipient of the 2021 Modeler of the Year award. Ray put in a lot of work for the club this year as always, and it's much appreciated. Also, we owe a special thanks to Dale Gottdank for his continuous work on publishing this newsletter every month, along with his duties as Club Secretary and Communications Officer. I also want to thank Gary Fogel, Club Historian, for his work at organizing and hosting interesting and informative general meetings for the club. If you haven't attended these, you're missing out.

Here's to a fun and rewarding year for everyone in 2022. If you have time and energy, please consider volunteering, even if only for a field maintenance event. Every bit makes a difference. Keep an eye on the [club calendar](#) for upcoming events.

Happy New Year,
Ian

Will You Be A Mentor?

The TPG Executive Council is planning to revive our Mentoring Program, which was very popular and helpful for new RC soaring pilots just getting into the hobby. Club mentors would make themselves available to meet new pilots at the Gliderport or one of our other flying fields. Back in the day, we had a couple of “club” planes, a radio or two and a “buddy box” setup for true newbies. Times have changed, and now most new pilots will have purchased their own RTF or ARF foamy Ahi or Radian, etc. but could still use plenty of help learning the basics of flying safely at Torrey, or catching thermals at Poway or Encinitas. It’s also a great way for new pilots to meet the regulars and begin participating in our contests and fun fly events.

We’d like to get the Mentoring Program up and running with a few volunteers in early 2022. If you’d like to help out with your time and experience, as well as contributing to the growth of our club, please contact communications@torreypinesgulls.org.

Club Meetings, Contests and Activities

The Torrey Pines Gulls hosts monthly contests, fun-fly events, LSF (League of Silent Flight)) Soaring Accomplishment Program, onsite clinics and bi-monthly club meetings.

Last year, after a long hiatus, club meetings returned. Our last general meeting, which was also our Annual Holiday Party, took place on December 14th at AleSmith Brewing Company. It featured a great slide presentation assembled by Club President Ian Cummings, annual awards presentations and food by Phil's BBQ. Check out the recap on the next page. We're looking forward to more excellent meetings and presentations in 2022.

Be on the lookout for upcoming meeting details and scheduling for all TPG and related events in the Newsletter and on the Torrey Pines Gulls website at:

<http://www.torreypinesgulls.org> and <http://www.torreypinesgulls.org/calendar/>

Please contribute to our **GULL WINGS NEWSLETTER**

Send pictures, or maybe even an article! It could be just a paragraph with some photos from a great soaring day ...even something interesting you've seen on the internet. I'd like to have the newsletter published by the first week of every month. If there's a project you're working on, don't just post it on RCGroups...share it with your club!

January Issue highlights include:

- **Mentoring Program Start-up (page 2)**

- **Updated Foamy F5J Clinic and contest Series (page 17)**

Please send in your articles or photos (communications@torreypinesgulls.org) by the **25th** of each month so they can be included in the monthly newsletter. Holiday Party Recap – Dale Gottdank

Those who braved the fierce mid-December storm (okay, the wind and rain were over by then) were treated to an actual in-person TPG Holiday Party after a year's hiatus. We were treated to delicious ribs, chicken and side dishes from Phil's BBQ provided by TPG along with the excellent varieties of AleSmith Brewing

Company's hops. Prez Ian Cummings assembled photos and videos from the past year or so into a slideshow we enjoyed on the big-screen TV in the private party room.

A great time was had by all at the AleSmith Brewing Company (Dale Gottdank photos)

Cookies for dessert, some more brew and lots of glider talk led to the main event: Awarding of prizes for the 2021 Contest Series and Modeler of the Year Award.

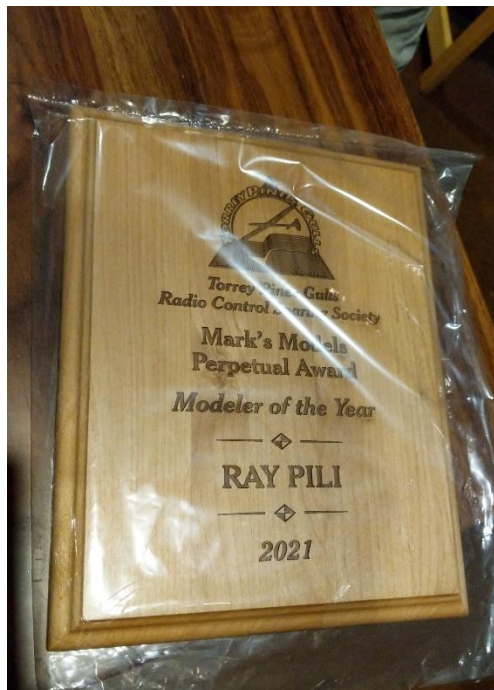

This year, the competition awards were DLG Open and Sportsman Class, TD, F5J and Combined TD & F5J Open Class. 1st, 2nd, and 3rd Place plaques were awarded for each. Award winners are listed on the following page. Thanks to TPG Vice-President Bob Hirsch for coordinating all the award plaques.

2021 TORREY PINES GULLS MODELER OF THE YEAR – RAY PILI

This year’s TPG Modeler of the Year Award goes to Ray Pili. In the past, Ray has served as Treasurer, Slope Coordinator/Safety Officer and TPG Representative to the Torrey Pines Soaring Council. More recently, he reinvigorated the League of Silent Flight (LSF) Program at TPG and created the ongoing Foamy F5J Clinic and contest Series as a way of introducing more members to the fun of RC soaring competition. Congratulations and thanks, Ray!

Ray was unable to attend the Holiday Party Award presentations, but here's the trophy plaque updated for 2021 – Ray Pili (Dale Gottdank photo)

Since last year, the Perpetual Trophy which is held by the Modeler of the Year until the following year, is accompanied by a plaque to be kept by the award winner. Perpetual Trophy at right (Dale Gottdank photos)

Google Groups – Staying Connected

Don't forget to join 

For all current and recently joined TPG members:

In order to maintain a line of communication among members, we have a TPG Google Group. Please make sure that our club Membership Chairman has your current email address. You can confirm this by contacting membership@torreypinesgulls.org. If you are not already a member of the TPG Google Group, you will be sent an invitation to join.

When you join as a member of the private TPG Google Group, the club will distribute notifications, newsletters, contest events and holiday party info, etc. This information will keep you informed of all club activities throughout the year. You don't need a Gmail address to participate in Google Groups, but you do need to be a member of TPG.

Google Groups provides a great way of communicating with one another. If you have any questions or concerns about almost anything having to do with flying, building, finding another club member, etc., you can post them on Google Groups. It also allows you to send links and attachments, just like regular email.

...and, very importantly, since all postings/emails are done through Google Groups, your actual email address is not visible when notifications are sent out to the club members. Also, only members of the group can post to the group, so joining the group does not add to your spam burden.

So, verify that the club has your correct email, make sure you receive an invitation to join Google Groups and sign up!

News from the Slope – Mark Baldacchino, Slope Coordinator

Mark Baldacchino

Happy January 2022, TPGulls!

I hope that you all enjoyed the holidays and the much needed rain that we had!

We have a full schedule this year, with 12 events; not every month, but close. We'll be kicking off the New Year with a fun fly on January 8th, which doesn't have a particular aircraft type, but rather a time for us pilots start the year off on the right foot. I scheduled it early in the month due to the Farmers Classic Golf tournament on January 26–29. We'll make this a whole day event as we need some help cleaning up the tumbleweeds in the landing zone, and the general area. There have been way fewer tumbleweeds due to us not mowing them and scattering the seeds. What would be great, is if one of you could bring a pickup truck, so we could haul these weeds off to the landfill not far away at Miramar. Please let Ian or me know. This cleanup help will reduce your membership dues by \$10 for 2023. Then, later in the day, Ian has a portable grill and we'll grill-up some hotdogs! (...weather permitting), but what a great way to start-off the New Year, huh?!?

News from the Slope (continued)

Below is a revised schedule for 2022, as we've added in the Katie Martin International Tribute on June 4th. So, in June, we'll have two events.

Being that it's early in the year, too, please don't forget to go to the glider shack and sign your waivers. Also, bring your lanyard with your TPG membership card, and let's go have some fun this year!!!

Club Competition Activity (continued)

2022 Foamy F5J Clinic and Fun-Fly contest Series

Don Lochhead

For 2022 we will be continuing with our F5J Foamy events at Poway, with combined Clinics and contests scheduled for Saturday mornings from 9-12 on:

- February 26
- May 28
- August 27
- November 5

Based on our popular DLG Contest and Clinic format, this year we are going to emphasize the “Clinic” aspect while continuing to fly contests. This is first and foremost a fun-fly event. So, if you are just getting started in F5J or just looking for an excuse to dig out your Foamy for a morning of relaxing flying this is the event for you.

The subject of the February Clinic will be tune-up tips for the Radian. These planes are pretty good right out of the box but many pilots have found ways to improve the flying characteristics even more. So come out prepared to show off your mod's and pick up even more tips. Future clinics will cover the aspects (rules, strategies, scoring, timer duties, etc.) of F5J contests that are a bit different from other TD events.

The contest element will be set up to emphasize the fun-fly aspect. We will have the field configured with landing tapes and the sound system. To get the most flying in for everyone, the flight window will be reduced from the regulation 10 minutes down to 7 minutes. We will plan on at least five rounds so everyone will get in plenty of stick-time.

We will ask everyone to pre-register on F3X Vault:

(https://f3xvault.com/?action=event&function=event_view&event_id=2234) and will be using self-entry of scoring results to give those of you who may not have used this system yet a chance to get some practice. Entry fees for the Clinic and contest will be free for TPG members and \$5 for non-members. We have opened a thread on RC groups so everyone can stay up to date on the event:

(<https://www.rcgroups.com/forums/showthread.php?4038751-2022-TPG-Foamy-Clinic-and-Contest>).

We are hoping that this event will help to introduce new pilots to what TPG has to offer. The council is considering the purchase of a club Radian that would be available for new members to learn to fly on. To make this work we will need some club members to offer to act as mentor pilots. If you would be interested, please contact any council member.

See you on February 26th!

LSF Report – Gary Fogel

Gary Fogel

Hi Gulls,

Picking up where Ray Pili left off last year, I'll be serving as the 2022 TPG LSF Coordinator. Although we haven't planned any LSF-specific events for 2022, club TD and DLG competitions qualify for LSF SAP (Soaring Accomplishment Program) credit and the Foamy F5J Clinic and Fun-Fly contest Series and F5J contests qualify for LSF eSAP (Electric Soaring Accomplishment Program) credit. Depending upon club member interest, additional LSF Attempt Day events may be scheduled

In the meantime, here's some general information about the League of Silent Flight program. <https://www.silentflight.org/index.php>.

This table outlines the various tasks required for each level. (Source: <https://www.silentflight.org/index.php/lsf-program/lsf-tasks>)

Requirements	Primary	Intermediate			Advanced
Level	I	II	III	IV	V
Thermal Duration	5 min.	15 min.	30 min	1 hr	2 hrs.
Slope Duration	15 min.*	1 Hr.*	2 hrs.*	4 hrs.*	8 hrs.
Precision Spot Landing	5 landings 3m (9.84 ft) or less	10 landings 1.5m (4.92 ft. or less)	None	None	None
Goal and Return	None	None	1km (0.62 mi.)	2km (1.24 mi.)	10km(6.2 mi)
Competition	None	6 contests** w/ 1 place or 3,000 pts	6 contests** w/ 2 place or 4,500 pts	6 contests** w/ 2 places and 1 win or 6,000 pts	6 contests** with 12,000 points including 3 wins

As you can see, Level I is not that difficult. With Poway and Torrey within fairly close proximity, it is absolutely possible to complete Level I in one day with help from witnesses.

LSF Report (continued)

In order to participate in the LSF program, please go to: <https://www.silentflight.org/index.php/lsf-program/lsf-tasks>. Bring the voucher as well as your AMA card to one of the TPG events and get started! It's as simple as that.

Submittal of a completed voucher is as follows:

1. Email the LSF Secretary John Marien: john@ne-aero.com a clear photo, or PDF scan of your completed (and signed by witnesses) Voucher.

That's it. No more sending money or sending your original hard copy.

John will then review your voucher and email you your acceptance or rejection of the voucher submission. If for some reason your voucher is rejected, you will have to adjudicate rejections with John.

Another nice change is while you are waiting for a reply you can download a new voucher and start on the next level.

As a reminder, LSF is a 5 level program for RC Glider Pilots. Each level has increasingly more difficult tasks. LSF involves Slope flying, Thermal Flying, Spot Landings, Cross-Country Flying and Contest participation. Each level must be completed before proceeding to the next, which makes for a well-rounded RC Glider pilot.

The pure glider program is called SAP (Soaring Accomplishment Program).
The electric launched glider program is called Electric SAP (eSAP).

Blue Skies,

Gary Fogel

LSF Coordinator

Photo of the Month Contest

Each month club members may submit photos of an activity related to soaring and the newsletter editor will post a **winner**.

A yearly winner will be selected from among the monthly winners and will receive a prize (their photo will be used as the website and newsletter masthead AND will appear on the following year's club membership card); so **horizontal format photos are preferred**. Email your photos (**JPG format and original high-resolution version please**) to Dale Gottdank at submit@torreypinesgulls.org. Please provide your name, location of photo and photo description.
